(2) **VERY IMPORTANT** - when leaving the premises **ALWAYS** ensure that all doors and windows are locked. These locks are for your protection. It is also advisable that tenants take out insurance for all personal Belongings, as the Landlord will not be held responsible for any loss or damage of these. As an extra precaution you may want to take valuables home over the Christmas and Easter Vacations.

(3) Can the tenant please ensure that they always have their room key/front door keys to their property. Please note that regardless of whether doors are locked or unlocked that visiting tradesmen will ALWAYS lock doors to a property after a visit. This ensures that they have taken reasonable precautions to safeguard your personal belongings.

NB: You will be charged a callout fee if we have to open doors for you, EVEN if you didn't lock them.

(4) ALL Burglaries and Vandalism must be reported to the police and a crime incident number obtained which must be passed to the Landlord. You will be held responsible for all incidents until this is obtained. We strongly recommend you take out insurance to cover your personal belongings and landlord's fixtures and fittings as they are your responsibility even in the even of a break-in.

(5) All roof space access doors/ gas and electric meter doors must be kept shut.

Under no circumstances must any furniture/bikes etc, or anything that could obstruct the safe evacuation of persons from your property be placed in the exit pathway of Hall, Stairs and Landing and all exit doors. This includes coats, bags and shoes.

**PLANNED PREVENTATIVE REPAIRS:** - Repairs of none of the above that will generally be carried out over the summer periods i.e. painting/decorating/roof maintenance.

(3) It is the Tenants' responsibility to ensure that all sinks/baths/washbasins and external drains that become blocked are repaired/cleaned, and pay for a contractor if necessary, unless this was caused by system design or fault.

(4) It is the **Tenant's** responsibility to keep the gardens and borders/pathways clean and free of overgrown vegetation. The landlord **DOES NOT** provide a full gardening service, and he will not provide gardening equipment. At the landlords discretion, garden maintenance **MAY** be carried out by his representative free of charge to the tenant. If rubbish is "cluttering" any part of the exterior of the property, this will be removed by our gardener and charged to the students.

(5) Copies of Landlords Gas Safety Certificates are kept in the kitchen drawer near the boiler. Should you suspect any problems with any Gas appliances, then you should immediately not use that appliance. Leave a notice on the appliance to warn others and inform your Landlord. In case of gas leaks please contact British Gas Transco **IMMEDIATELY! on 0800 111 999.**

(6) It is to be expressly noted that tenants cannot authorise repairs without the written permission of the landlord. Tenants will be liable for all costs if this occurs.

(7) In case of Emergency on services (i.e. Water, Gas or Electricity) PLEASE isolate at source from the stop-taps and main switch positions. You should inform the Landlord immediately.

(8) When entering the accommodation you will have found the place to be clean and tidy. A Contract Cleaner Charge will be made if the premises are not in the same order when you leave.

(9) It is a special condition that Tenants make arrangements with the Gas Servicemen and Workmen etc. so that they can gain access to the property. NB: this means that you will contact you to arrange an appointment when it would be mutually convenient for both of you. If you do not keep the appointment they will invoice you for the missed appointment.

(10) The boiler and Central Heating system will be serviced once a year by Aquacare. When they contact you for an appointment it is in your interest to follow up the appointment, as a regularly serviced boiler means cheaper Gas bills.

NB: They will want to get into all rooms. Please note the whole central heating system is under an insurance scheme with Aquacare. This means you can call them out 24 hours a day, 7 days a week all year. Their telephone number is 01202-591100. If you are calling out of office hours, a recorded message will give an alternative emergency number.

(11) No re-decorating or building work is to be undertaken under any circumstances, and the property is not to be added to or altered in any way.

(12) At the end of your Tenancy Agreement a charge will be made for any damaged goods and also a charge will be made of £25.00 per hour to replace/install such goods.

Alternatively Tenants should replace such goods themselves. Absolutely no building, decorating or repair work is to be undertaken by Tenants without the landlord's written consent.

(13) All pest control situations (ie mice, beetles, wasps etc) will only be taken care of and paid for by the Landlord, within the first 3 months of the tenancy if necessary. The tenant will be responsible for payment of bills after this period of time. The Landlord must be notified in advance of any works being carried out and his written authorisation received. Infestations caused by tenant's lifestyle will be fully chargeable. Please note that under the Prevention of Damage by Pests Act 1949 that the Landlord may be required to carry out repairs on behalf of the tenant and then charge the tenant. The Landlord will,

however, endeavour to halt or hinder any infestation by blocking up any holes or points of entry in the fabric of the building which are pointed out by the tenant.

(14) Replacement lamps for all lighting outlets are the Tenants' responsibility. When you first take the property, there will be lamps in all points and they will all be working. Please note this is a CONSUMABLE ITEM and does not come under the scope of "fair wear and tear" charge of £1.00 will be applied for each light bulb replaced.

(15) Any damages that occur by the tenants or their guests during the tenancy must be repaired/replaced by the landlord's appointed contractors as soon as it can be arranged with the said contractors, for which the tenants will be responsible for payment.

## **Utility Bills**

(1) Tenants agree to be responsible for all utility bills at the above property for the period of the tenancy; i.e. they will pay for all gas/electricity/council tax/water rates/telephone etc.

(2) It is advisable that all utility bills go in the name of ALL tenants so that no one person will become individually liable.

(3) 'NEW' Tenants are advised to make arrangements for the Gas, Electricity, Telephone etc. to go in their name as soon as possible from the start of their Tenancy agreement. Please note there can be re-connection charges for the telephone if the bills are not carried forward to a new name. This is mentioned for your convenience only. The Landlord does not pay for reconnection fees. You should also ensure that meter readings are taken on or just before your Tenancy agreement begins. Please note if there is no electric on when your Tenancy agreement begins.

(4) When you leave the property at the end of your Tenancy, please make arrangements for the bills to cease in your name. If you do not, then you could still be charged for them, for some time after.

(5) One month prior to the end of the Tenancy, the Tenant must inform the Landlord or their agent of the name of the supplier for Gas, Electricity and Telephone. This is so we may inform them of the meter reading at the end of the tenancy.

## **General**

(1) The Landlord will give 24 hours notice before entering the rented property to carry out inspections etc. This notice will be given either in the form of a letter or telephone call or e-mail to any one of the tenants. If notice is given in the form of a telephone call then it is assumed that if the message is left with one person, that they will inform the other Tenants. A message may also be left on your answer-phone. Please note the Landlord will always ring the doorbell before entering the property.

It is hereby stated that the Landlord may make daily inspections when the property is vacant over holiday period's i.e. to check for burglary or weather damage. Please note if there is an emergency such as suspected storm damage etc. then the Landlord will ring the doorbell and enter the property.

(2) Can you please be aware of the day for refuse collection and have the property emptied of all rubbish. Your wheelie bin will need to be left at its collection point on the pavement. The day of refuse collection can be verified by calling the town hall on 01202 451451 and speak to the domestic refuse department. Please note - overflowing bins can attract the attention of burglars, as they will think the property is empty. Please leave your bin out the day before collection.

(3) In Bournemouth the council runs a recycling scheme and provides wheelie bins to put your recycling into. The larger of the wheelie bins is for recycling which is collected once every two weeks and the smaller bin is for rubbish. The recycling bin will take glass bottles (wash first), plastic bottles and containers (also washed first but **not** the plastic lids), cardboard & paper. Do not put plastic bags in the recycling bins. If there are items in the recycling bins, then the refuse collectors will put a "Contaminated" sticker on the bin and they will not empty it. You will have to take it to the tip for disposal.

(4) The bins are the landlord's property and you are responsible for them. If they are left out or not brought in fast enough after emptying and they are subsequently stolen or vandalised you will have to pay to replace them.

(5) Windows are **not** serviced regularly by a window cleaner. It is the tenants responsibility to clean the inside and outside of all windows and doors/doorways etc.

(6) Receipts will only be given where rent payment is made by cash. Cheques act as receipts since a copy can be obtained from your bank to prove that payment was made in the event of a dispute. Written receipts will be provided for the deposit and any tenancy administration charge.

(7) The central heating must be left on over winter holiday periods at a temperature sufficient to avoid the pipes from freezing up and causing water damage. If the Tenant fails to keep the heating on and damage is caused due to frozen pipes that burst, then the Tenant will be responsible for the repairs/replacement to the damaged property/items.

(8) In case of dispute, Tenants agree to go to arbitration in the small claims Courts and not Crown Courts.

(9) The Landlord is allowed to keep a duplicate set of keys to your property.

(10) All fridge/freezers should be regularly cleaned and defrosted during the Tenancy, regular defrosting will ensure that the ice-box cover does not get broken by being forced open. If the fridge/freezer is switched off, then the doors should be left open to prevent fast and unpleasant mould growth occurring.

(11) Please inform the Landlord of any mail or please forward it to 43 Richmond Park Avenue, Bournemouth BH8 9DN.

(12) Please note a charge of £30.00 may be made if the Landlord is unnecessarily called out to attend something which is not really a problem.

(13) Please note that one or more signatures on any of the "Terms and Conditions", inventory or leases etc. constitute an acceptance by which the whole group agrees.

(14) If the property is let as a Group Tenancy and one or more Tenants leave the Group, it is advisable for the remaining tenants to check the furniture inventory list as any items not complete on the inventory will be chargeable to the remaining tenants.

(15) Blu/White Tack Adhesive or other suitable fixing must support all posters on walls etc. No pins or adhesive tape may be used. Blu/White Tack should be rolled gently off the wall when being removed. If a poor quality Blu/White tack is used it may stain the walls and if the staining is excessive you will be charged to redecorate the wall.

(16) **Do not** to use the carpet as an ironing board as this melts the carpet. You will be charged for a replacement if damaged in this way.

(17) Where guarantor forms have been provided then the guarantor shall read this contract and shall be deemed to have accepted all of its terms and conditions.

(18) The landlord can dispose of goods/furniture the tenants leave in the property. Any revenue resulting can be used by the Landlord to offset any money that he is lawfully entitled to. The tenant shall be responsible for all reasonable costs that the Landlord may incur for disposal of goods.

(19) No animals are to be kept at the property for any period of time.

(20) If you give us notice that you are going to leave the property before this agreement has ended, you must pay our reasonable costs for re-letting the property as well as paying the rent until a new tenant moves in.

(21) The tenant agrees to allow prospective new tenants to view the property from 1<sup>st</sup> December onwards to the end of the tenancy.

(22) All Tenants hereby give their permission that they have no objections to their personal details i.e. home address, telephone number etc. being passed over to relevant third parties i.e. Electric Board, Gas Board and co habitant tenants. All Tenants hereby give their agreement that they give their permission that references can be taken up on their behalf from Employers, University, ex Landlords or Banks etc.

(23) All Tenants hereby give their agreement that parents/guardians/friends can be contacted re: any aspect of the Tenancy i.e. financial or personal.

(24) Tenants agree to behave in a polite and courteous manner to the landlord and his representatives at all times.

(25) Tenants agree to treat all property, fixtures and fittings in a respectable tenant-like manner.

(26) The tenant will always ensure adequate ventilation to the property by opening windows/ventilators/doors etc. to stop high moisture levels from occurring in the property and to stop mould growth from occurring on walls and soft furnishings.

(27) The drying of clothes over radiators or anywhere inside the property (except in a tumble dryer) is not allowed. This will cause condensation to form on windows, walls and furniture which destroy decoration and can be harmful to health by promoting mould growth.

(28) The tenant/s agree not to annoy the neighbours with any form of "NOISE POLLUTION" or any other form of antisocial behaviour such as playing loud music at unreasonable hours. Please note eviction proceedings could be started against you.

(29) The tenant will not introduce into the property any form of soft furnishings or furniture that do not have a fire label on them. For more info contact you local Trading standards Office.
